ABOUT RAZ ENTERPRISES

RAZ ENTERPRISES was first established in the roras road of Sialkot, Pakistan in 1978. Following a shift in our business model.

We are a family owned and managed manufacturing unit that aims to provide solutions to our customers' everyday surgical instruments needs and challenges.

We aim to provide excellent customer service and we promote a 'can do' culture. We aspire to being the easiest company in the market to deal with for any and all of your surgical instrument's needs.

At all times we aim to provide high-quality surgical products with quality matching German made instruments. Our instrument range is regularly updating and growing with the newest technological advances. We are proud to offer cutting edge surgical instruments at competitive, value for money prices.

Products and Services:

With a portfolio of over 8,000 products covering all the major aspects of surgical Instruments care RAZ ENTERPRISES has become a reputable real manufacturer and reliable supplier. We are proud to be one of the few production plants in Sialkot who have a complete setup from FORGING TILL FINAL PACKAGING, this production plant is backed up by an integrated team of technically trained and skilled professionals. RAZ ENTERPRISES strives to deliver the highest quality products without defects. Strict Quality Control is built into our process beginning with raw material inspection and certification through packaging of the finished product. Our Quality Assurance processes ensure compliance to all applicable standards, regulatory requirements, safety requirements and customer requirements.

To reaffirm the company's ongoing commitment to provide the highest quality Surgical Instruments. The company has received the ISO 13402:1995, ISO 7153:2016 and FDA Certification for their Quality Management System. RAZ ENTERPRISES also promotes a growing range of competitively priced single-use instruments and products. Finally, the packaging of the instruments can be customized as per the needs of our clients.

CONTINUOUS DEVELOPMENTS AT RAZ ENTERPRISES

RAZ attempts to continuously improve the quality, reliability, and cost of all its manufactured products and services. RAZ works closely with all our strategic managers to develop continuous improvement systems that will bring value to our organization. Systems may range in scope from:

Improved Quality

- Customized products for special needs customers
- New products or existing product enhancements
- Provision of engineering diagrams
- Cost Reductions
- Productivity improvements
- Package designing and innovation
- Surgeries catalogue demonstration

CULTURE AND VALUES

RAZ ENTERPRISES prides itself on providing excellent customer service across all levels of the organisation. We employ experienced Managers that service all over the globe and are available to assist you with any enquiries, quotations, or to offer advice and answer questions relating to a product or specialty. Our customers are our most important asset and RAZ endeavours to provide a personalised customer service experience. We aim to provide the highest level of customer service to the International Healthcare market and are proud that we have built and continue to maintain solid relationships with our customers and distributors.

At all times we are professional, honest, ethical and reliable.
